Billeting will be available at the Sac City Rec Center on Highway 20, Friday and Saturday night and is included in the activity fee. The activity fee will provide Saturday Breakfast, Saturday Lunch, Saturday Dinner, Sunday Breakfast, and Sunday Lunch. Cadet Staff are asked to arrive No Later Than 1900 hours and basic attendees are asked to arrive No Later Than 2100 hours on Friday Evening at the Sac City Rec Center (1015 West Main Street). All applications are due in the PO Box **No Later Than** 12 August 2003. Please send applications and checks to Central Iowa Composite Squadron, Post Office Box 1285, Ames, IA 50014.
4. All cadets must bring CAPP 52-7 Attachments 1 and 2 **completed** by your squadron reflecting all completed CAP orientation flights. Cadets must also bring their current CAP membership card in order to fly. If cadets do not bring these forms they will not be able to participate in the CAP Orientation Flights. It is also **highly** recommended that cadets complete the CAP Wing Runner Course available at <http://soaringsafety.org/school/wingrunner/toc.htm> to ensure that students are familiar with CAP glider operations prior to flying.
5. We are looking for seniors who enjoy working with cadets to participate as staff and orientation pilots. If you are interested please contact me at (515) 291-9625 or by e-mail at djansen@iawg.cap.gov.
6. A packing list has been attached for your convenience. People participating need to bring this equipment in order to be successful. All participants must meet the grooming and uniform standards specified in CAPM 39-1. Members who do not meet these standard will be responsible for the cost to correct it or will be sent home.
